About

College Savings Month is a state-wide awareness initiative designed to educate Arizona families about the benefits of saving for college, "early and often." There are events planned throughout the month for parents, grandparents, and loved ones to learn about planning for college and saving with Arizona's Family College Savings Program (AFCSP), a 529 Section college savings plan.

Kids' Contests

Students in kindergarten through the 6th grade are invited to participate in the drawing or writing contests and be eligible to win one of two, \$1,000 college savings accounts.

Download and complete a contest template below to enter into the drawing and writing contests. Submit before December 1st and be eligible to win a \$1,000 college savings account!

Participate and your child could win a \$1000 college savings account!
